## Novas Toilet Partition Fittings

Novas Architectural is pleased to present an extensive collection of toilet partition fittings specifically designed to cater for all segments of the market. The toilet partition collections have earned a worldwide reputation for reliable high quality products, which have been installed throughout the UK, Middle East, Asia, New Zealand and Australia.

The design process backed by our team of engineers incorporates the key elements that drive the toilet partition market; aesthetics, durability, finish, cost competitiveness and ease of installation.

## Materials

Novas Architectural Toilet Partition Fittings are manufactured from 304 grade Stainless Steel and Zinc Die Cast.

Polished stainless steel and chrome plate are available upon request.

## Guarantee

Novas Architectural guarantee all their products against defects in workmanship and materials subject to inspection and confirmation of fair wear and tear within the normal working life of the product.

Novas Architectural assumes no liability for:

1. Improper installation or failure to follow fitting instructions.
2. Product failure due to improper maintenance or unfair wear and tear.
3. Indirect or consequential loss or damage.
4. Cost of removal and/or replacement.
5. Cost of freight and/or travelling expenses.
6. Some plated finishes are classified as soft finishes. Deterioration is possible under some climatic conditions and cannot be unconditionally guaranteed.

**Consult your local Novas Architectural Representative or Agent for advice on all finishes.**
